

Your advertisement on learnNX.com/marketplace

Take advantage of the growing popularity of learnNX.com and present your NX-related services **free of charge** for one month on this special marketplace. What services are suitable for learnNX marketplace?

Here are a few examples: FEM calculations, reverse engineering, CAM programming, creation of special programmes for NX, modeling of injection moulding tools, assistance with special topics, training courses, PLM... any idea related to NX is welcome!

You want to become a part of our marketplace? Great, here's how it works!

In order to get started, just fill out the form and send it to marketplace@learnNX.com and make sure to include a thumbnail and a logo. We will create an entry for you on learnNX.com/marketplace, similar to the training content, including text, image, and SEO (search engine optimisation).

Your advertisement will start at the beginning of next month. If you like the marketplace, we'd be delighted if you stayed! Ten days before the end of the month, you will receive a pro forma invoice from us for 29,- €. If you pay it, your advertising space will be retained for another month and we will send you a confirmation of payment (the correct invoice for your accounts). If not, someone else will take your advertising space.

You don't have to cancel yourself – there is no risk!

Your special service/product

Your slogan or headline for the description

Describe your service or product

The text can be freely defined in principle.

However, it should also address common questions such as:

What is your area of expertise?

What problems does your service/product solve?

Who is it aimed at in particular?

What advantages does it offer customers?

In the last line, please indicate your location (country and city) and the languages you would like to be contacted in and your E-Mail address. Example:

germany, warendorf / german, english / info@learnNX.com

Short description for the overview

Summarise the most important points of your description again in a shorter form.

In the last line, please indicate your location (country and city) and the languages you would like to be contacted in.

Example:

germany, warendorf / german, english / info@learnNX.com

Link to your website,

which should open when your thumbnail is clicked

For search engines (SEO)
